

**PENNSYLVANIA CONFERENCE EDUCATION DEPARTMENT  
TUBERCULOSIS SCREENING TEST FORM**

*Columbia Union Conference Education Code* mandates that teachers must have a tuberculosis screening test showing that the person is free from communicable tuberculosis. Thereafter, employees will be required to undergo testing at least every **four years** as long as employment continues.

**Teachers may not begin teaching without returning completed form to Office of Education.**

If last TB test is still valid, no physician signature is required.
